

WhatsApp Permission Form

Anything written on this form will be held in confidence.

We, in the Irish Women's Bowling Association, use a **Parents' WhatsApp** group to communicate general announcements with parents regarding events, changes to our program or to answer general queries. We also use a **Players' WhatsApp** group to communicate general announcements with players over 18 years old. We will not use this WhatsApp group to communicate with you specifically about your child(ren).

This group requires you to opt in. Where you agree to opt in, your name and contact number will be added to the group. It will not be shared with any other group or person. You are free to leave the WhatsApp group at any time. You will automatically be removed from the group when your child no longer attends events run by the Irish Bowling Association.

WhatsApp are responsible for data entered in messages on the service. By installing and using WhatsApp on your mobile phone, you agree to WhatsApp's terms and conditions, over which we have no influence. This includes granting WhatsApp access to your phone number. For more information on how WhatsApp use your information, please view the WhatsApp privacy policy.
